I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the
availability and the right to obtain medically necessary compounded
medications by limiting the number of prescriptions that can be shipped
across state lines from specialized compounding pharmacies.

COMMENTS: I object to "inordinate amount"
statement in the M.O.U. Gates sold an
inordinate amount for many years. No one
stopped him.
These pharmacies are a blessing to
those who are depressed, sleepless,
unmotivated. These compounded medications
facilitates the relief of the above.
